

## THE COMPANY

Formed in 1991, Wilson Associates create and produce technical publications and digital communication solutions for a variety of blue chip companies in the UK and world-wide.

Incorporating the latest in digital multi-media publishing, design and 3D technology, our experienced, award winning team are expert in a complimentary range of software disciplines and offer professional cost effective solutions in the following key areas;

- **Technical Publications - including:**

- Multi language documentation
- Maintenance Manuals
- Parts Catalogues
- Instruction Handbooks

- Technical Illustration
- Graphic Design
- Multi Language Translation
- Language memory services
- 3D Computer Aided Design
- Product Design & concept visualisation
- Multimedia & 3D animation
- Architectural drawing, design & presentation
- Training / Consultancy
- DVD / CD-ROM / Web

Wilson Associates can add value to your organisation through **CAd™** - our pioneering automated workflow system and **CLd™** - our translation memory system.

Be more proactive whilst retaining the ability to react faster to market forces and customer needs. Seamless integrated digital solutions for the 21st century.

Compatible - for enhanced data exchange
